### Sporting Success

#### Aerobics

Congratulations to our Aerobics team of Brianna Rope, Ella Simons, Nathalie Simons, Teigan Duggan, Lily Donoghoe, and Isabelle Hickey on winning through to the State Finals of the School Aerobics to be held in Sydney in three weeks. Thanks to Miss Woodward and Mrs Nagle for their coaching.

*not only that but also*

#### Futsal

Congratulations to our Futsal soccer team of Angus Durie, Sam Powell, Declan O’Donnell, Jack Read Jones, Nasser Balfour Brown, Aston Robinson, Nick Collins, and Riley Baker, on winning the Futsal Soccer Championship yesterday. Many thanks and further congratulations to Mr O’Donnell, (Declan’s dad) who entered, organised and coached the team to a deserved victory.

### Head Lice

Following concerns from some parents in the fight against head lice, the school will now strongly encourage parents to adhere to the following:

- Long hair should be styled tightly. Examples include plaits, ribbed pony tails (more than one band down the pony tail), braids, fish tail
- Regular checks of all children’s hair

Prevention is much better than finding a cure.

Library
'Deadly and Incredible Animals' outlines the top 10 minibeasts and the incredible behaviors they use to protect themselves and their young from predators. 'World Heritage - Protecting Threatened Animals' looks at threatened species both large and small. Both these books are in the New Books stand now and would make good follow up reading to our insects and minibeasts unit.

Keep logging those PRC titles in your reading logs! There are some Year 4 people doing some great reading.
